# Make It Shine

Here I am  
Once again  
Feeling lost but now and then

I breathe it in  
To let it go

And you don't know where you  
are now  
Or what it would come to  
If only somebody could hear

When you figure out how  
You're lost in the moment  
You disappear

**Chorus**

**You don't have to be afraid  
To put your dream in action  
Your never gonna fade  
You'll be the main attraction**

**Not a fantasy  
Just remember me  
When it turns out right**

**Cause you know that if  
your living  
Your imagination  
Tomorrow you'll  
Be everybody's fascination**

**In my victory  
Just remember me  
When I make it shine**

Reaching high  
Feeling low  
I'm holding on but letting go

I'd like to shine  
I'll shine for you

And it's time to show the world how  
It's a little bit closer  
As long as I'm ready to go

All we have is right now  
As long as you feel it inside you know

**(Chorus)**

Every one can tell you how  
When it's all said and done  
And harder times will change your  
mind

And make you want to run  
But you want it  
And you need it  
Like you need to breathe the air  
If they doubt you  
Just believe it  
That's enough to get you there

**(Chorus)**
